

## Donation Rules & Reward Retrieval

- 1. ActBlue Emails Us; We Email You:** Once you have donated in ActBlue, the fundraising team will receive an email from ActBlue about your contribution. We will then quickly respond by sending you an email to verify the amount of your contribution.
- 2. Rewards Are Based on Donation Total:** If you are contributing monthly, we will ask for the *total amount* you are pledging. This is the amount that you may use to select a *reward*. For example:
  - If you make a *one-time* donation of \$25, you may select a *reward* in the \$25-\$49 category.
  - If you donate \$25 *monthly* and pledge \$100 *total* (4 monthly payments), you may select a *reward* in the \$100-\$149 category. (See #4 below for more information.)
- 3. You Email Us Your Reward Choice:** In our email to you, we will also request your choice of a *reward* from the list. Because of the quantity of *rewards*, we understand you may need more information about some. Your response to our email will be the best time to ask for additional information about various *rewards* before you finalize your choice. We will be able to respond much quicker via email than by phoning. *For safety's sake, we cannot meet to show you any rewards.*

At the time we email you, we will send you an updated *rewards'* list. Although we will regularly update the list on the website, please understand that some *rewards* may have been chosen since it was last updated.
- 4. You Select Your Prize:** Please select a *reward* (or *rewards*) from the list that corresponds to the level of your donation. (Also, see #2 above.)

For Example:

  - If you donate \$30, you may choose one *reward* from the \$25-\$49 category.
  - If you donate \$50, you may choose one \$50-\$74 *reward* or two \$25-\$49 *rewards*.
- 5. Getting Your Prize:** Once you select a *reward(s)*, we will email you options for pick-up:
  - You pick up the *reward* at Democratic Headquarters, or
  - We deliver the *reward* to your home.
- 6. No Returns:** We do not haggle over prices and cannot accept return of *rewards* after they have been delivered.

Thank You for Helping Save Our Democracy
